

High service expectations
demand simple, trouble-free
communication.

New OTTO 2 Wire Monitoring Kit with twist-off acoustic tube

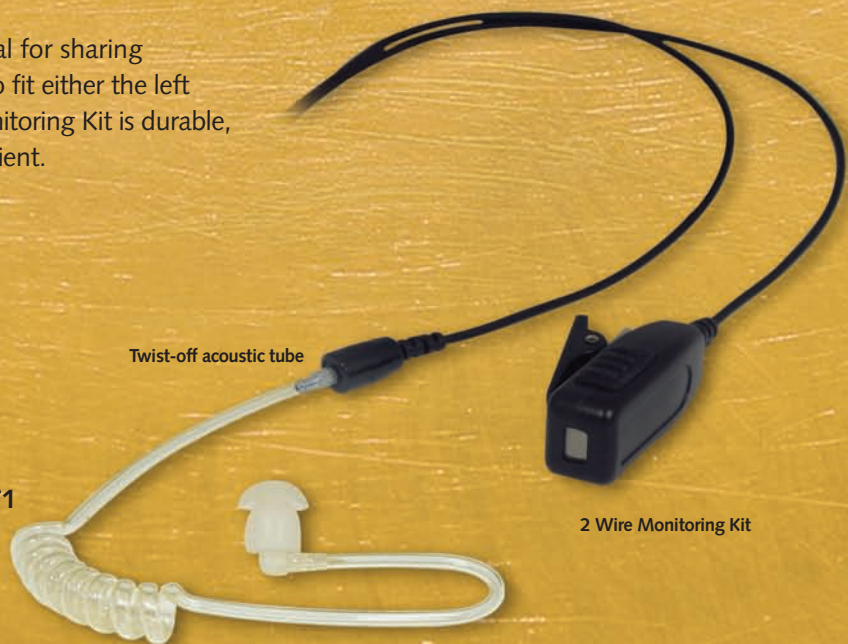

The new OTTO 2 Wire Monitoring Kit provides discretion, comfort, easy operation and affordability. Retailers, restaurants, hotels and casinos can use it to provide simple touch-of-a-button communication that can dramatically improve associates' ability to provide exceptional service.

The acoustic tube with a rubber ear tip twists off so it is ideal for sharing communication devices between shifts. And it easily adjusts to fit either the left or right ear. Built to tough government specs, the 2 Wire Monitoring Kit is durable, delivers unparalleled performance and is surprisingly cost efficient.

The 2 Wire Monitoring Kit features:

- Soft-touch Push To Talk (PTT)
- Built-in microphone
- Black Kevlar reinforced cable
- Clothing clip
- 15-month warranty
